

CMC PACKAGING GROUP
PACKAGING WITHOUT LIMITS®

A VERTICALLY-INTEGRATED PACKAGING DESIGN AND MANUFACTURING SOLUTION

- Highly cost effective turnkey manufacturing
- Custom and contract solutions
- Innovative and creative design
- Manufacturing using mixed materials
- Sourcing services for different industries

BACKGROUND

- In 1998, CMC Magnetics Hong Kong began producing custom packages for AOL. CMC introduced several of AOL's winning packages including a wood box, a magnet box and a tin box. The consistent introduction of new packages to AOL earned the team the position of AOL's top vendor.
- In early 2008, CMC spun off the packaging unit as a separate company called CMC Packaging Group.

HEADQUARTERS: HONG KONG

- Sales, technical and logistics support
- Liaison between offices in USA and factories in China
- Partner factory coordination

CONCEPT FORMULATION AND PRODUCTION PLANNING

- 3D renderings
- SLA production
- Detailed mock-ups
- Highly cost effective production methods
